Included in the three-bill package are provisions that alter utility rate structures and rate approvals, require utilities to obtain 10 percent of their electricity from renewable sources by 2015, and set limits of 10 percent on the amount of a utility's customer load that can go to alternate suppliers. ([full article](#))

Associated Press: [Granholm signs Mich. energy package into law](#)

Gov. Jennifer Granholm on Monday signed into law a package that will require more electricity to come from renewable sources, raise residential rates, restrict competition among power companies and encourage energy efficiency. ([full article](#))

MIRS Newsletter: [Gov Beams Energy At Bill Signing](#)

Gov. Jennifer GRANHOLM signed today a three-bill alternative energy package, which she heralded as having "the greatest potential to transform the state" of any piece of legislation she had signed in her six years as chief executive. ([full article](#))
